# Reply to Author Queries

Manuscript TXXX-2026-XXXX: "A Template for IEEE Publications"
IEEE Transactions on XXX

Dear Production Editor,

Thank you for the proof. Our replies to the author queries are below, followed by a few corrections we found while checking it. Page and line numbers refer to the proof PDF.

## Author Queries

**AQ1** (p. 1, author block): *Please confirm that the author names and affiliations are correct.*

**Reply:** Confirmed, no changes.

**AQ2** (p. 3, line 12, left column): *Please provide the page range for reference [1].*

**Reply:** Please change the reference to: M. Shell, "How to use the IEEEtran LaTeX class," 2015, pp. 1–26.

**AQ3** (p. 5, line 4, right column): *Please define the acronym XXX at first use.*

**Reply:** Please change "XXX" to "extended XXX (XXX)".

## Additional Corrections

1. p. 2, line 18, left column: change "teh" to "the".
2. p. 4, Eq. (3): the subscript should read $x_i$, not $x_1$.

Sincerely,
First A. Author
